\* Please note – you may be contacted to have your skater schedule an appointment for measuring if needed.

\*\* Skaters will be responsible for purchasing their own tights. Links for suggested purchases will be provided to families for guidance on what is needed, such as color, style, brand, etc. Some brands work better than others for providing protection against the ice. However, these will only be suggestions. Skaters can choose their own tights as long as the color coordinates with costume requirements.
